# POSIO, FINNISH LAPLAND

LIVO Arctic offers high quality accommodation-, restaurant- and event services for arctic aurora travel in Posio, Finnish Lapland. The aurora resort will be built to the authentic ambience of Finnish Lapland, which only waits for the aurora traveler to arrive and enjoy.

Posio - which is often referred as "the magic land of Lapland" - is located in Northern Finland: 3 h from Oulu, 1,5 h from Rovaniemi and only one hour from Kuusamo, which is also the nearest airport. It is famous not only for its spectacular nature, but also from its world-famous ceramics factory Pentik.

The region is full of different activities and possibilities to experience the Northern magic. Pure snow and complete silence create truly unique environment which can not be experienced anywhere else. Guests can explore the neighborhood by foot, reindeer, snowmobile or even cross-country skiing - all safely guided by the skilled LIVO Arctic staff.

LIVO Arctic is located at an area which is completely free from light- and sound pollution. In fact, our nature is so pure that the water of Lake Livo is completely safe to drink! This beautiful and natural setting, located near the luxury resort, makes many unique event services possible.

10 aurora suites and 30 luxury igloos ensure the ultimate overnight experience. Visitors' privacy and five-star accommodation solutions have been taken into account in the resort's architecture. Aurora suites tailored especially for disabled visitors are located in the vicinity of the main building.

# EXPERIENCE PACKAGES

We offer our guests special experience packages - truly something for everybody. English-speaking hosts guide the guests through the whole week-lasting package - starting from Saturday and ending the following Saturday. Full board, consisting of delicious breakfast, lunch, dinner and on-tour snacks, keeps guests full and warm through the daily activities. Proper clothing and equipment for events and tours are always provided. Our guests have a special opportunity to take advantage of LIVO Arctic's photographing service while working with the activities.

Experience packages include airport transportations from and to Kuusamo airport. Prices include all taxes, insurances and service fees, welcome presents or souvenirs (while accommodating) plus aurora watch service (wake-up/alarm when the aurora are visible).
